**Re: Master Task Subcontract No. MTS225449RR;

Dear Ms. Berman-Smith:

Jacobs Engineering Group is pleased to transmit 10 copies of the Final Technical Memorandum No.1, Industrial Area Surface-Water and Sediment Sampling Plan. Additionally, 10 copies of Response Summaries prepared for EG&G and CDPHE comments are included. Because EPA comments were taken verbally at a meeting held on December 7, 1994, a formal response has not been completed.

If you have any questions, or require additional copies, please call me at (303) 620-8468.

Sincerely,
JACOBS ENGINEERING GROUP INC.
